OF THE MONTH

January / February

Trouillard, La Cuvée Elexium Champagne

A blend champagne of Pinot Noir, Pinot Meunier and Chardonnay. It has a sparkling glow and lightness with a nice touch of citrus and white fruit aromas, an epitome of harmony. Recommend to pair it with smoked salmon, chicken, white fruits or sorbet.

Les Vignerons du Roy René "Opale d'Un Roy" Rosé 2016

Brilliant pale pink. Expressive, intensely fruity, crisp nose. The palate is both floral and fruity, fresh and thirst-quenching with a long, intense aftertaste. A deliciously drinkable wine served well-chilled on a glorious summer's day.

Forrest's St Laurent Marlborough

Originally from France, it's a Pinot Noir cross possibly with Carignan, producing dark coloured small berries with smooth silky tannins and sweet cherry aromas.

Forrest Gewürztraminer

A subtle nose of beautiful fresh floral rose and lemon/lime aromas with a touch of lychees and cinnamon. This is a delicate wine with flavours of baked apples and Turkish delight on the spicy palate. The wine has good length with a dry finish.
