

Club Notice: COVID-19

COMPULSORY TEMPERATURE SCREENING

for all Physical Sport Players & Officials & Gym Users

Dear Players, Officials and Gym Users,

As Singapore has moved from DORSCON Yellow to Orange, the Club has implemented these new measures with immediate effect:

- **Compulsory Temperature Screening:** All Members and Visiting Team Players and Officials will have their temperatures taken at the Main Reception.
- Only persons with temperature below 37.5°C will be allowed into the Clubhouse and Padang field.
If your temperature is 37.5°C and above, you will be moved to a designated location to wait for 5 minutes for another temperature check. If your temperature remains unchanged, we will unfortunately have to turn you away to seek medical attention.
- **Entry Wristbands:** Please inform the security personnel that you will be playing physical sports, officiating, or going to the gym so you will be given a wristband. Please ensure you have your wristband on at all times on the Club premises (i.e. pre- and post-game)
Only those with wristbands will be allowed access to our sports facilities and also to be inside the Clubhouse post-game/activity.

THERE IS STRICTLY NO ACCESS FROM PADANG FIELD GATE INTO THE CLUBHOUSE FOR NON-WRISTBAND HOLDERS

The safety of Members, visiting teams, officials and staff are of our paramount importance.

We thank you in advance for informing your visiting opposing teams and officials of this compulsory temperature screening and helping us ensure they abide by this.

Thank you in advance for your cooperation and patience even as we strive to minimise disruptions as best we can.
