

# SCC HEALTH & TRAVEL DECLARATION FORM & TEMPERATURE SCREENING

In light of the COVID-19 situation, the Singapore Cricket Club (SCC) has stepped up measures to ensure the safety and welfare of its Members and guests by implementing enhanced visitor registration measures in addition to compulsory temperature screening.

## STEP 1: Fill out the SCC Health & Travel Declaration Form.

Please scan the QR Code to access the form and fill it out online.

Members and guests must fill out the form when they visit the Club; should they be visiting many times in a day, they can fill the form out once but must keep the form-receipt email as proof of submission.

## STEP 2: Compulsory Temperature Screening

Only persons with temperature below 37.5°C will be allowed into the Clubhouse.

If your temperature is 37.5°C and above, you will be moved to a designated location to wait for 5 minutes for another temperature check. If your temperature remains unchanged, we will unfortunately have to turn you away to seek medical attention.

The safety of our Members, guests and staff are of our paramount importance. We thank you in advance for your cooperation and patience even as we strive to minimise disruptions as best we can.
