or want to learn more  
about wines?**

**Join the Wine Circle!**

Highlights of joining the Wine Circle includes opportunities for masterclasses with experts, country-themed events where ambassadors often join as honored guests and networking sessions with wine enthusiasts.

**Wine Circle events are offered to members at very special member rates, which are normally a fraction of the rates for similar events in the market.**

To join the Wine Circle (no prior wine expertise is needed), contact us at [memberengagement@scc.org.sg](mailto:memberengagement@scc.org.sg) or head over to the Member Services Desk (MSD) to pick up a Wine Circle registration form.
