PRESIDENT'S MESSAGE

Dear Members,

The Club was a hive of activity during the months of September and October and I want to thank our members for getting involved in Club matters and taking part in events. The fun and "festivities" continued with the Club celebrating Oktoberfest on 3rd October in a packed Courtyard. Delectable German cuisine, beers and live entertainment resulted in an evening of fun with members and guests decked out in traditional Oktoberfest outfits.

The Clubhouse was busy during the exciting SCC Night Race 2026 weekend, and Members and guests experienced both the live race circuit and broadcast action while enjoying delicious buffet spreads and quenching their thirst from the multiple pop-up bars set up around and in the Clubhouse. Additionally, the fringe activities brought added excitement and thrills. Thank you for making the event a huge success!

In October, we participated in the annual POT Games with our friends from The Tanglin Club (TC). After a few weeks of competition, the games culminated in a final day of matches on Saturday, 17 October, followed by a dinner and awards presentation in the evening celebrating SCC's win this year – final score was SCC: 6 | TC: 2 with 4 sections mutually choosing not to play due to the haze. Thank you to all SCC Sections who trained hard and participated in the games, and for keeping the SCC flag flying high.

The 77th edition of the SCC International Rugby 7s tournament will take place on 21 and 22 November. The SCC will play host to an eclectic selection of international teams including Daveta from Fiji (Multiple SCC 7s champions, including titles in 2024, 2023, 2019, 2018, 2012 and 2011), Shogun Rugby from the UK (Defending Ablitt Cup champions, 2025), Lloyd McDermott from Australia (one of Australia's premier indigenous representative rugby programmes) and Port Moresby Harlequins from Papua New Guinea. This is not only a sporting spectacle for the local community but also a great day for the family to come and enjoy the action on the historic Padang.

In the Clubhouse, we're getting ready for Deepavali on 13 November with a special buffet at the Oval/Verandah. To make it extra special, there will be a special Lamp Lighting ceremony followed by entertainment and Bhangra dancing in the Main Lounge. Thereafter, members can look forward to the Christmas festivities and celebrations to usher in the New Year. Check out the specially curated buffets and food and beverage promotions to make the festive period more exciting and enjoyable. Do check out the SCC Festive Booklet accompanying this issue. For those hosting private parties or visiting others during this festive season, consider our F&B Takeaway Menu for seasonal treats and bottle bundle deals.

On staff matters, I would like to take this opportunity to welcome Unics Vinosnah, our new Head of Marcom. A total of 80 staff attended the 3rd quarterly Townhall meeting held on 30th September. Hosted by our General Manager, it was an opportunity to share with the Club staff the Club's year-to-date financial performance, matters of Health and Safety and the calendar of events for the next quarter, as well as to engage in a Question-and-Answer segment in a transparent and open dialogue. The last group of Club staff participated in the GM's Kopi Weekly session on 21 October. Introduced in April this year, these almost-weekly sessions aim to promote dialogue, receive and discuss feedback and suggestions for overall Club improvement. I am happy to share that many good suggestions have been put forth by the staff, and many have already been implemented.

As 2026 comes to an end, I would like to express my gratitude to all our members for their support of all the GC, Subcommittees, Section Committees and staff. On behalf of the General Committee, I wish you and your loved ones all the joys of the season, and a fantastic start to the New Year!

Annual Staff Appreciation Fund

As we approach Chinese New Year 2027, I would like to invite members to contribute voluntarily to the SCC Annual Staff Appreciation Fund. The Club staff play an important role in making Singapore Cricket Club a welcoming and enjoyable place for all members and guests. It is a meaningful way for our members to recognise and thank the staff for their dedication, hard work and commitment throughout the year.

By SCC tradition, the contribution is equivalent to one month's subscription. The full fund will be disbursed in January 2027 as an ex-gratia payment, shared equally among all staff. This annual staff fund provides members with a special opportunity to express their appreciation to the Club's employees.

The amount will be debited to Members' Accounts and will be reflected in the November 2026 Statement of Account and will be deducted via GIRO on 21st December 2026.

This contribution is entirely voluntary. Members who wish to contribute a smaller or larger amount, or not contribute, may notify us in writing by 20 December 2026. Please email your preferred option to staff.fund@scc.org.sg.

On behalf of all the staff, I would like to take this opportunity to sincerely thank you for your patronage and support of the Club and its staff over this past year.

Mr. Brenden Gurusamy
General Manager/Secretary, SCC

Q: Please tell us a little about yourself, your professional background, and how long you have been a member of SCC.

After leaving school I joined the army, it was just after Singapore's independence, in 1966. That was the time Singapore decided to have our own SAF. Our government decided to get Israeli help. 5000 men applied and only 300 were accepted. However, SAFTI was not fully operational. So, when the Israelis did the initial training, only 150 of us were accommodated in SAFTI and the other half were placed in a school. We were put through hell and trained for 1 year. After 1 year, only 117 were commissioned.

In 1967, we had to train the first batch of national servicemen to be operational and this took us 6 months to change. There was regional pressure then and a need to defend our country.

I was a regular officer for 10 years and attended several leadership courses at the Command and Staff college. When I left the army, I was appointed as a reservist battalion commander for 20 years with 1000 men under my charge. We had to have the men ready to defend Singapore.

As a reservist officer, I started a security and investigation company, basically supplying security guards, all over Singapore. We started from scratch, my wife and I. I travelled to Britain to learn the business. We are self-grown company and our first client was a Japanese client Toshiba who we served for 35 years.

Investigation is another area of business. We hired ex-police officers, in my case, I went overseas to learn from the Americans. I was elected to hold office and later I was made President of the investigation association representing 80 countries and every 3 months, I had to travel. Each country has their own way of handling investigations; here is where I learnt about the different cultures and developed many friendships.

When I became president, it was in 2001. It was also the year of the 9/11 attack. As president, I had to write a letter of condolence to then President George W. Bush. I was also involved in the Singapore chapter and hosted conferences and worked with the police. After 9/11, we continued to work with the police to upgrade our skills. Our company is now 52 years and all these years I have been actively involved.

Then 20 years ago our Peranakan Indian Association was also started at the request of President Nathan.

Q: What first attracted you to join SCC, and what does the Club mean to you today?

To be exact, I have been a member since August 2008. I joined the Club as it is central and one of the oldest clubs in Singapore.

I use the Club for entertaining both friends and clients. With my involvement with the security community, I have used the Club several times, for conferences. The staff have always been very supportive. People who live around the city, find it convenient.

Though the Cricket Club is meant to be a sports club, I was always busy with work even though I was a sportsman. The Club has professionals from various industries as members and that enhances the image of your profession. Many are lawyers as it is close to the high court, it is packed at lunch time.

Being the oldest club, the building is steeped in history, and no one wants to change this. Foreigners are offered term membership, as they like to be associated with the Club because of its history.

Q: Could you share a brief introduction to the Peranakan Indian (Chitty Melaka) community and its unique heritage?

The Peranakans have been established in Singapore for a long time, even before our country achieved independence. The Peranakans those days, were called the Straits-born Chinese. The two associations are at least 110-120 years old.

Whenever they had events in Singapore, President Nathan was always invited by them. He noticed Indians are represented. It is a little-known fact that President Nathan's mother is Peranakan. I have a photograph of President Nathan as a young man, staying with the family of Rajamanickam, the famous astrologer,

together my aunt with my cousin Vainy, under one roof. The women all wore sarong kebaya. Even I was there in the photograph with President Nathan!

Eventually, they bought the house nearby. In fact, that area of Ceylon Road, had a lot of Chitty Melaka families staying along Crane Road, Onan Road and Carpmael Road.

Q: How did you first become involved with PICMAS (Peranakan Indian (Chitty Melaka) Association Singapore), and what inspires your continued involvement?

Even as a young boy, I was very fond of being a Chitty Melaka. I did not know why I was different from other Indians. My Indian friends used to make fun of me. They called me "Marican" and "Melayu." They think I am a Malay but I was neither here nor there. I excelled in the Malay language. I am also not 100% typical Indian. They called me "Keling" and I was angry. It was my grandmother who wanted us to be Chitty Melaka with a strong Malay influence.

When President Nathan got Samuel Dhoraisingam to write a book about us, it was at last, made known that we are Chitty Melaka and I was passionate from the beginning. I was brought up by my grandparents and not my parents. So, we have a closer attachment as, I used to follow my grandmother all over. So, I know all the Chitty Melaka people. During the school holidays, we would always go to the Gajah Berang Kampong in Malacca.

When we started the association, I got more involved. Slowly I gave up all the other commitments and focused on the Association. At the beginning, we did not have any resources and that is when I got more serious, it was a new association and there was a lot of work to be done.

Q: What are some of the key initiatives and achievements of PICMAS that you are most proud of?

When PICMAS started, we were well received by the Indian Heritage Board. Gopinath Pillay, then Chairman of the Hindu Advisory Board, we/PICMAS and another 70 to 80 ethnic Indian associations were engaged by the Indian Heritage Centre to discuss and decide what should be exhibited. They were thinking of displaying artifacts from the 18th century while I was thinking that we have been present much earlier – since the 14th century. As I was puzzled, I stood up and asked the Chairman, who was surprised himself. The Chitty Melaka were already a community from the 14th century. Gopinath Pillay had someone research us and it was established that what was said was true and there was a realization that we/Chitty Melaka were there before the Portuguese, the Dutch and the British.

It was thereafter that I had to sit with the IHC curators, over numerous occasions to tell our story. If you go to the Indian Heritage Centre, the video is there where you will see our Daisy who first steps out in a sarong kebaya. For the launch, Chetti Melaka of the Straits, President Halimah Yacob officiated our event. We had 500 people in attendance. IHC provided everything but they needed our community to showcase our material artifacts. That is how we came to be represented at the IHC, where at the time, the Peranakan Museum did not have any Chitty Melaka representation. My Grandmother's photo was on all the posters; I was very proud. Docents took an interest to learn about us and since then, we have become quite popular. I encourage our members to attend all the other allied Peranakan Association events.

Q: This year's event is titled One Table Many Stories. What is the inspiration behind this theme?

In my understanding and personal experience, whoever sits at your table will exchange/share their views.

When we attended the last event, we had people share their own story on stage. Most important is the food (cuisine) and how it triggers a memory. We are proud our food and unique dishes. I love dessert, and the pisang pengat is my favourite. It is an opportunity to share memories with everyone. We are so fortunate that there are many people writing books about our community and there are still so many stories we have not heard.

Being a pioneer Indian community, we have absorbed the many local cultures so I believe new Singaporeans will be interested to learn more about our unique community. A number of our presidents have had a peranakan background e.g. Presidents Sheares, Wee Kim Wee, Tony Tan, Devan Nair's wife and President Nathan's mother is, so we've been nation-building for generations.

Q: What can guests look forward to at the event?

Many people confuse us with the Chettiars. The Chittys are seafaring traders from the Coromandel Coast. The Chettiars are the money lenders and temple builders who came to this part of the world during the 18th Century.

We have Chantal Sajan's book, The Chettis of South-East Asia, being launched. Her brother served with me in the army. I didn't realise the connection. When we were staying at Golden Mile, there was talk of an en bloc sale. Chantal was a reporter for the Straits Times and did a story about us and our house. We had so much publicity, buyers came, everyone was very impressed and eventually we sold our house.

Later, I found out that for 50 years she has been researching her own family and the history of the Chitty community. She wants to be able to share this culture from the 14th Century by printing 50 000 books to communicate this legacy of The Chetties of South-East Asia. This is an untold history of the Chitty Traders. As an Association, we are so proud of her. She is an excellent storyteller and will share her journey in a dialogue session during the evening.

There will be dance and music and our unique food. We will also be acknowledging our seafaring past through the cuisine and the music.

Q: What are some ways one can support PICMAS's mission and long-term objectives?

ASEAN is in the forefront. While Chitties are now spread throughout South East Asia, the Indians were here much earlier, and we should not forget this heritage. We must promote these activities, and we must teach our history to the generations to come.

Your presence at the dinner will be helpful. Talk about the experience of meeting the Chitty Melakans. Invite PICMAS to come and provide talks. We mustn't take the past for granted, it is treasure for the young to know.

Q: Why is preserving and sharing cultural heritage important in Singapore's multicultural society?

Globally as we are getting better connected, the world is getting smaller. Better understanding of the different cultures is important, especially for the younger generation who will be the leaders of the future. We need to pass on our traditions.

At the beginning of my career, I fought for our country's survival, then we needed to be independent and we were actively involved in nation building and the vision for the future.

Our passport is well recognized and one should be proud to be Singaporean in this mixed culture. Our Chitty Melaka community has already been mixed and this embedded in us since we were born. We must educate and shine the light on a not so necessarily known community.

Q: What message would you like to share with SCC members?

I would like to encourage members who spend their time having dinners and doing sports, to also get involved, to volunteer and participate not only in this particular event but in all other Peranakan events and be part of this Legacy of Heritage. We need more people to be aware and to taste the food, hear the stories and learn about the culture.

BUILDING MOMENTUM: THE SCC NETBALL ACADEMY REACHES NEW HEIGHTS

Just a few short months ago, the SCC Netball Academy officially launched, bringing a fresh wave of energy to the courts at SCC Dempsey. What began as a vision to nurture young talent and build a vibrant netball community within the Singapore Cricket Club has rapidly transformed into a thriving reality. As the inaugural term progresses, the Academy has reached a major milestone: the player roster has already grown to 40 dedicated members.

This rapid growth is a testament to the enthusiasm of the young athletes and the unwavering support of the broader SCC community. Walking onto the Multi-Purpose Court each week, the atmosphere is electric. The initial quiet anticipation of the first few sessions has been entirely replaced by the sharp squeak of trainers, the constant calls for the ball, and the joyous cheers of newly formed friendships. Having 40 players across different ages and skill levels has allowed the programme to cultivate a truly dynamic training environment, where healthy competition, peer-to-peer encouragement, and a genuine passion for the sport are taking root.

When Coaches Bryan and Jermaine established this programme, their core philosophy was that the value of sport extends far beyond technical ability. The Academy was designed to empower young women to develop confidence, independence, and resilience. Watching these 40 girls step onto the court each week, it is profoundly rewarding for the coaching team to see those exact qualities coming to life.

Players who were once hesitant to speak up are now confidently directing plays and communicating with purpose. The transition from focusing on individual ball skills to full-court team dynamics has been seamless, driven by the players' eagerness to learn. They are making split-second decisions with conviction and, crucially, supporting their teammates when a pass goes astray or a match gets tough. Through this expanded cohort, these young athletes are learning to navigate both success and adversity, taking ownership of their development in real time.

As the numbers swell, so does the Academy's ambition. With a larger group, the coaches are now able to run more specialised drills, facilitate high-quality match simulations, and tailor the coaching to challenge every single player appropriately. Looking ahead to the conclusion of the inaugural term on 28 November, the groundwork is already being laid for the future. The Academy is exploring opportunities for friendly fixtures, intra-academy tournaments, and advanced developmental pathways to ensure that as the players grow, the programme evolves right alongside them.

None of this incredible momentum would be possible without the trust of the parents and the support of the Club. The SCC Netball Academy is building exactly what was originally envisioned: a cohesive, intelligent, and fiercely supportive netball community.

The courts remain open to new talent, and the Academy invites more young athletes to join, express themselves, and embrace the challenge. For training schedules, programme details, and future registrations, please visit the SCC Netball Academy website. The future of SCC Netball looks brighter than ever, and the next generation of players is just getting started.

SCC RUGBY ACADEMY HITS THE GROUND RUNNING

With the new term well underway, SCC Rugby Academy has wasted no time getting back into action. From international touring and tournament success to celebrating our coaching community and Junior Section Members (JSMs), the opening weeks of the season have already showcased the energy, talent and spirit that make the Black and Gold special.

One standout event was the U15s' tour to Perth, where almost 100 players, coaches and supporters travelled to Western Australia for a long weekend of rugby and team bonding. Across four matches against Aranmore Catholic College, Associates RFC, Joondalup Brothers Rugby Club and Wests Scarborough, our boys embraced the challenge, competing in both 10s and XV-a-side formats. The tour concluded with a hard-fought victory over Wests, capping off a memorable rugby experience against quality opposition.

Back in Singapore, we were delighted to host Perth's Palmyra RFC U13 side as part of their Singapore tour. The match showcased the grit, resilience and teamwork of both teams, while providing another valuable opportunity for our players to test themselves against international opposition and build lasting friendships through rugby.

Our youngest players have also made an impressive start to the season. The inaugural Manta Rays Juniors Cup provided an exciting opportunity for our U5 and U6 squads to test themselves against strong competition.

The results reflected their efforts. The SCC Lions U5 side were crowned Cup Champions after a dramatic final against Centaurs that ended in a draw and was ultimately decided by a game of Rock, Paper, Scissors. In the U6 division, SCC Black emerged as Plate Champions, while SCC Gold finished as Plate Runners-up. More importantly, every player embodied the Academy values of effort, courage and sportsmanship.

Our girls' contact programme has also enjoyed a strong start to the season at the Centaurs Girls International Rugby Tournament. The U16 squad were crowned Plate Champions, while SCC players across other age groups proudly represented the club in combined teams alongside Titans, Centaurs and BAC Babaas.

The U10 side went undefeated to be named Cup Winners, while the U12 team narrowly missed out on the title after a last-minute defeat in the final. The combined U14 and U18 squads also finished as runners-up, highlighting both the strength of our girls' pathway and the collaborative spirit that continues to strengthen the rugby community across Singapore.

Off the field, the Academy's annual Coaches Dinner provided the perfect opportunity to kick off the new term. With Head Coaches returning from the summer break, the evening brought together the volunteers who dedicate so much time and energy to developing our players and helping shape the Academy experience.

The annual Junior Section Member Dinner was another highlight. More than 100 girls and boys came together dressed in Black and Gold for an evening of fun, friendship and celebration. Complete with a few SCC traditions enthusiastically embraced by our youngest members, the event was a wonderful reminder that being part of SCC is about far more than what happens on the pitch.

As the term gathers momentum, our players, coaches and families continue to demonstrate what it means to be part of the Black and Gold. With more tournaments ahead, including the SCC Rugby Academy 7s in November, we are excited about what the rest of the season has in store.

SCC BALI MEMORIAL 2026

Each year on the 12 October, members of the Rugby Section gather at dawn to remember those members who lost their lives in Paddy's Pub, Bali in 2002.

This year, due to the timing of the Singapore Grand Prix, the memorial service was held at Dempsey field, with the annual memorial fixture played against HKFC a few weeks earlier at the same venue.

A large group of old and new section members gathered at daybreak, many leaping from their beds following a long weekend at the F1.

As the sun gradually rose over the jungle, the assembled were led down to the pitch by a pair of Gurkhas, in full ceremonial dress, whose pipes cut through the thick morning tranquility in their unmistakeable tone.

They fell silent as the congregation gathered and listened to words of remembrance from Andy Douglas, who was there that night, as well as John Leung and Paul Marshal who were good friends of many of the tourists. All three shared powerful personal memories of those men we lost on that awful night, reminding us all how familiar their stories were and how delicate life can be.

The ceremony was ended with the reading of 12 October, the poem penned for the annual memorial, by Convenor Mandeep Tahim, and a toast of Rum and Coke, equal in parts.

Those men of SCC taken from their families and our club too soon but never to be forgotten: Neil Bowler, Christopher Redman, David Kent, Peter Record, Timothy Arnold, Christopher Bradford, Christopher Kays, and Charles Vanrenen.

NATIONAL DAY BRIDGE DINNER & GAME – 10 AUGUST 2026

On Monday 10 August 2026, the Bridge Section celebrated National Day with a well-attended dinner at the Gilmour Room followed by an exciting Bridge game. Many, if not most, members and guests were dressed in red and white. A wonderful evening was had by all.

2026 INTERCLUB BRIDGE FESTIVAL

SCC is doing well, and currently in 3rd place out of 10 clubs, close behind NUSS with 2 more rounds to go. These last 2 rounds will be against the 2 top teams so the Bridge section will do well to maintain 3rd place. This is a very good showing and reflects the impact of the Bridge section's JSMs.

INTERCLUB ACTIVITIES

On Monday 21 September 2026, the Bridge section hosted guests from SRC visiting the Club at its bridge session at the Gilmour Room.

On Friday 2 October 2026, the Bridge section played against MCC (UK) in an online game with 16 players from each side.

On an overseas trip from 9 to 11 October 2026, a visiting team of 3 pairs of players from the Bridge section is playing in Penang, Malaysia.

On 19 October 2026, the Bridge section is hosting a visiting team from USRC (HK) at the bridge session at the Gilmour Room. Some SCC players expect to take part in the bridge tournament organized by USRC (HK) to be held in Hong Kong from 19 to 21 November 2026.

FAREWELL TO DIRECTOR CARLTON PARKER – 28 SEPTEMBER 2026

On 28 September 2026, the Bridge section bid a fond farewell to Carlton Parker who served the Bridge Section as Director for over a decade since the section was formed way back in 2012. Almost an institution unto himself, Carlton Parker was instrumental in training many new and experienced bridge players to hone their craft in playing bridge under his tutelage and watchful eye.

At the bridge game on 28 September 2026, a befitting farewell was held in his honor at the Victoria Room, with a chocolate cake with a simple "Thank You Carl!" on it, together with a well-designed card signed by section members to commemorate the occasion. A special gift of a Pewter Tankard was also presented to Carlton Parker by the Bridge section.

POT GAMES – 17 OCTOBER 2026

On 17 October 2026, the Bridge section is hosting the Tanglin Club (TC) to the Bridge event at the Victoria Room, in the annual POT Games. The SCC Bridge team is busy preparing for the challenge, including a match against players from SRC. Both SCC and TC will be represented by six pairs of players in a Teams format.

MONTHLY GAMES

The game on Saturday 22 August was to celebrate our National Day and what a celebration it was with an all-record breaking crowd of 68 players and guests. Fortunately we were allocated the Padang to accommodate this large number.

Many came dressed in red and white in keeping with the theme as the photos will show.

Results for August 2026:

- Overall highest scorer: Mohan Balagopal with an amazing 735 points!
- Runner Up: Prema Sajnani with 672 points
- Highest single score: Jan Singh with 163 points in Round 5
- Overall lowest scorer: Nancy Lajam with 478 points

It was also an afternoon of some really very high scoring achievements as can be seen from the winners scores. On top, 21 players out of the 68 had scores of 600 and above.

September's game on the 8th of the month also had a large but more manageable attendance of 45 members and guests.

Results for September 2026 :

- Overall highest scorers: Tied with Margaret Cunico and Huned Hassanbhai both having 636 points
- Highest single game score: Mahes Velupillai with 145 points in Round 4
- Overall lowest scorer: Sukhdev Singh with 454 points

Top row: August in-house Game winners: Jan, Prema, Mohan & Nancy

40TH INTERCLUB TOURNAMENT 2026

Round 4 at NUSS on 19 August was another success for us with Team 5 comprising of Ivy Chee, Yeoh Foo Yong, Rolv and Else Stokkmo taking top spot with 2,480 points followed by SKA Team 1 with 2,420 points and our Team 1 in third place with 2,391 points.

And the highest individual overall scorer was our own Else Stokkmo with a remarkable 748 points. Congratulations Else on a truly fine achievement with an average of 124.67 points per round! Wow!

Top: Inter-Club at NUSS

Round 5 hosted by Singapore Khalsa Association (SKA) on 23 September saw another successful SCC outing. Our Team 1 with Raj Kumar, Soma Devi, Huned Hassanbhai and Anwar Gaffoor took top honors with 2,525 points followed by Singapore Swimming Club (SSC) Team 1 with 2,429 points and Tanglin Club Team 1 with 2,403 points in 3rd place.

And once again it was one of us, Soma Devi, who won top scorer position with 688 points.

At the end of 5 rounds and with the final round to be played at Tanglin Club on 14 October, the standings are:

- SCC Team 1 in the lead with 11,829 points
- SKA Team 1 following behind with 11,582 points
- SSC in third position with 11,466 points

We have a good lead of 247 points over SKA and 363 points over SSC. Still, it is not a given that we will clinch the Interclub Championship this year as with Balut, anything can happen. A 247 points advantage can be dissolved should each of our Team 1 players lose by 10 + points in each round.

Nevertheless it looks like the trophy may be ours to take home.

PENANG INTERPORT 2026

The Cricket Section travelled across the border to Penang on 19 and 20 September for the annual Interport fixture against Penang Sports Club (PSC), one of the Club's oldest and longest-running Interport fixtures.

A keen young squad of 13 players made the trip, with the objective of competing across two days while, more importantly, continuing to build on the longstanding friendship and camaraderie between the two clubs.

George Town provided a fantastic setting for the squad to explore, with Saturday beginning with the Social XI fixture. SCC took on PSC's social team in an entertaining game, eventually going down by four wickets. There were notable performances from Aahan Vuthandam, who top-scored with an unbeaten 40, while his father Prem Vuthandam made his mark with the ball, taking two wickets.

The game was followed by a wonderful dinner hosted by PSC at their clubhouse. Both clubs exchanged awards and mementoes, providing a fitting opportunity to celebrate the long-standing relationship between SCC and PSC.

Sunday saw the main Interport fixture take place. Rain intervened to reduce the scheduled 40-over contest to a T20, but SCC put up a strong fight before eventually going down by 17 runs. Aahan Vuthandam continued his excellent tour with a fine 51, supported by Vignesh Srivathsan with 30.

Beyond the results, the tour was filled with plenty of fun, laughter and, of course, great cricket. The Cricket Section looks forward to welcoming our friends from Penang Sports Club back to SCC next year and continuing a fixture and friendship that has stood the test of time.

MARINERS PREMIER LEAGUE – RESOLVE WOMEN'S CHALLENGE CUP 2026 – SCC LIONESSES CROWNED CHAMPIONS

The Mariners Premier League, the Club's marquee sporting event, continues to grow from strength to strength. This year's edition brought together more than 61 teams across the Juniors, Women's and Men's competitions, attracting over 700 spectators to the ground, with the matches also live-streamed on social media.

Adding to the occasion was the presence of the 1983 Cricket World Cup-winning Indian team as Guests of Honour, making this year's tournament a truly special mega event with the Women's Final being played in their presence. This provided a memorable stage for the SCC Lionesses to showcase their cricket ... .And showcase it they did.

The team had an incredible run through the tournament, winning all three of their group games and finishing top of the table to secure their place in the final. Awaiting them was a strong SportyGo side, featuring a state-level player from India, setting up a highly competitive championship clash. The final was closely fought, but the Lionesses held their nerve, trusted their game plan and delivered when it mattered most. A composed performance saw them complete a convincing eight-wicket victory, securing the Mariners Premier League Women's Championship.

The championship is a wonderful reflection of the continued growth and strength of the SCC Lionesses.

There was also individual recognition for SCC's Diviya GK, who was named MVP of the Tournament, — a remarkable achievement and a fitting recognition of her all-round contribution to the team.

Congratulations to the SCC Lionesses on a memorable Mariners Premier League triumph!

SCC INTERNATIONAL CRICKET FESTIVAL RETURNS TO THE PADANG

In 1852, cricket was first played on the Padang under the banner of the Singapore Cricket Club. Next April, 175 years later, the game returns in style.

From 2 – 4 April 2027, the SCC International Cricket Festival will bring together 8 of cricket's most storied clubs for three days of competitive cricket at the Padang:

- Marylebone Cricket Club
- Melbourne Cricket Club
- Cricket Club of India
- Madras Cricket Club
- Singhalese Cricket Club
- Hong Kong Cricket Club
- Royal Selangor Club
- Singapore Cricket Club

The Festival marks the return of a marquee SCC cricket event after a decade-long absence, bringing together clubs with a shared heritage and passion for the game.

But this will be about much more than what happens on the field. The Festival will feature a Gala Night celebrating the spirit and history of cricket, alongside corporate hospitality on one of Asia's most iconic sporting grounds. Above all, it will be a celebration of the friendships, traditions and connections that cricket has built across continents.

Sponsorship, hospitality and partnership opportunities are available. To be involved, please contact Pippa at Women@scc-cricket.com

THE SCC GOLF SECTION TEAM

Top: POT Games Tanglin – SCC Team

A CLASSIC RIVALRY RENEWED

The annual POT Games between the Singapore Cricket Club (SCC) Golf Section and the Tanglin Club (TC) Golf Section has always been one of the most anticipated fixtures on the golfing calendar. Driven by decades of friendly rivalry, camaraderie, and undeniable competitive spirit, this edition carried all the hallmarks of a true 'grudge match.' Both teams arrived at Orchid Country Club's Vanda and Dendro 9, determined to claim bragging rights, full of determination and focus.

Top: After Glow Refreshment

To make matters more challenging, Captain George Madhavan decreed play from the championship Blue Tees—making the course stretch long and unforgiving. Every drive demanded precision, and every approach tested both distance and resolve. To add to the drama, threatening weather hovered overhead, bringing moments where inclement conditions would stop play. Fortunately, thanks to the excellent management at Orchid Country Club, play was allowed to continue uninterrupted, allowing the full competitive contest to unfold on the greens.

NOTABLE PERFORMANCE: GOLF SECTION MEMBER RAYMOND LEE IS THE 35TH SINGAPORE OPEN SENIOR CHAMPION

Played at the Seletar Country Club from 22 to 25 September. Raymond Lee was crowned the Best Local Winner in the Men's Senior Amateur division. Raymond started very strongly on the first day with a opening round one under par 71 and led the field. He then followed up with 79 and 78 for a total Gross of 228.

A large number of Golf section members on the WhatsApp group, lavished congratulations on his achievement.

GOLF SECTION – PARTICIPATION IN DARTS INTERSECTION 2026

So, the call went out to put two golf Darts Teams up to participate. The first item to address was how many had Darts, skill and experience. Two ad-hoc practices were held at the Men's Bar after which we decided on a strategy. After a few drinks we concluded that we probably didn't have a chance at winning from the front but there was the best dressed team.

Many thanks to the Darts Section for a fun, enjoyable and amiable event and so nice to see the setup in the Oval.

GOLF SECTION TEAM IN THE BALUT INTERSECTIONAL COMPETITION

In typical Golf Section fashion, our lead organiser and immaculate host Cosmas Joosa took the opportunity to not only go with the win at Balut but also to win the best dressed competition. So, we streaked ahead in the best dressed and came second in the Balut competition. Cosmas distinguished himself with 4 X 5 dice play. Congratulations.

The competitive side of things are toning down with only the National Indoor League left on the horizon.

MHL3

MHL3 concluded with our MHL4 championship winning team of 2025 finishing 5th and staying in MHL3. It was so close that we were only 2 wins away from a medal. With sketchy availability throughout the season it was always going to be tough but we somehow managed and got enough points in round 9 out of 10 to secure our status for MHL3 in 2027, where we hope to push for a medal.

NATIONAL INDOOR LEAGUE

We have two teams registered for the National Indoor League, one Mens and One Womens. With 5 Men's teams and 4 Women's teams we are expected to be competing for a medal in both leagues. This is especially so after our Ladies brought home the Pesta Sukan Women's Indoor Gold. Our Men had players represented in the Pesta Sukan Men's Indoor tournament Gold medal winning team too. This should hold us in good stead.

With some new additions to the roster, both teams are keen to keep flying our club's flag high.

NATIONAL SCHOOL GAMES

Three of our Junior girls were National School Champions earlier this year. Yalini Kannan won the coveted "B" Division Title playing for Crescent Girls School. The left half was delighted to deliver her best when called upon and help her team to yet another title.

Meanwhile her schoolmate, Nur Eiliyah played a starring role in the "C" Division Final and bagged a brace to help her team to the title. The Straits Times featured her in an article where she attributed some credit to her time with SCC.

Finally Cara Zhou was part of the "A" Division winning Raffles Institution team after they upset Victoria Junior College in the final. It's noteworthy that Cara was badly injured during the Pesta Sukan and is recovering well and amazingly keen to return to training when we spoke to her recently.

SOCIALS

During the year we hosted Royal Selangor Club in an Interport match which is promising to be an annual affair. Smarting from a 4-1 reverse in our travels last year we managed to win the cup with a 5-2 win on the Padang. We had a nice quaint reception in the Gilmour room and good bonds were forged and an annual meeting should be well and truly on the calendar.

Netball

INTER-SECTION NETBALL

Our biggest and best Inter-Section Netball evening yet took place on 21 August, bringing together teams from Tennis, Pickleball, Football, Rugby and Squash. We loved seeing the sections connect through our sport and were especially proud of our Junior Sports Members for leading teams and helping everyone get involved.

Congratulations to Rugby on taking the win! We look forward to welcoming everyone back next year.

QUAD INVITATIONAL SERIES

Following the National League, SCC hosted its first Quad Invitational Series at the Padang from 24 August to 14 September. Coach Eric invited a mix of local teams whose skills and contrasting playing styles would challenge our players and support their development.

The series gave teams opportunities to test combinations, sharpen their skills and learn from one another, while welcoming clubs that might not otherwise have played at SCC.

Eagles held their nerve to win a nail-biting Premier final by just two goals, while Ospreys finished runners-up in Challenger. There was plenty to celebrate, but the highlight was bringing teams together for competitive, enjoyable netball.

PHILIPPINES TOUR

In September, SCC proudly took a squad to Manila to face the Philippines National Team at Enderun College on 19 September, helping our hosts prepare for the SEA Games.

Our squad included players as young as 17, some playing internationally for the first time. Strong opposition and different playing styles provided a valuable test, and our players rose to the challenge.

After the official match, we combined the squads for further games, giving players the chance to play alongside their opponents, learn from one another and enjoy the game together.

From top left, clockwise: SCC touring squad with the Philippines National Team; SCC Eagles in action during the Premier Division final; Participants in the SCC Quad Invitational Series; SCC Inter-Section Netball evening!; Congratulations to SCC Rugby, winners of the SCC Inter-Section Netball competition

The day concluded with a dinner hosted by SCC and supported by primary Capco! Both teams shared stories about netball and the challenges of balancing sport with work and study—a memorable end to a day of competition and friendship.

LOOKING AHEAD

We have now entered an October–November training block combining on-court sessions, video analysis and friendlies to help our players develop and prepare for the season ahead.

We also look forward to Christmas Netball on 3 December and our MINDS community morning on 5 December.

Thank you to our coaches, volunteers and partners—Capco, ButterBee and Altius Clinic—for their continued support.

A WEEKEND TO REMEMBER

SCC celebrated a superb rugby 7s tournament at the newly reopened Queensway Stadium on 5 & 6 September, with SCC Gold and SCC Black performing admirably across two action-packed days.

Top: The Victorious SCC Gold Squad

SCC GOLD: POWER, PACE AND PURPOSE

Coached by Jack Wilson and led by experienced, physical players Jay Hykel and Net Qicatabua, Gold progressed from pool play to the quarter-final. Mattias Chia's experience, Harish Rai's determination, Izzy Azmi's hot-stepping, and Adam Vine and Jono Green's physicality all stood out, while newcomer Hans Koch rose impressively to the occasion. Rahul Baskar, Hyder Lufti and Ian Robb added youthful energy and safe hands from the bench. Kai Smith starred with outstanding defence and sizzling runs, boxing well above his size and experience.

THE ROAD TO GLORY

A hard-fought semi-final victory over Bucks set up a much-anticipated final against familiar foes, Saints. After trailing 12–0 at halftime, Gold produced a committed and dramatic fightback. Their defence, spirited resilience, remarkable composure and belief secured a thrilling 14–12 victory and showed the strength of their bond, forged during many a hot hour at Dempsey.

SCC BLACK: PRIDE AND PROMISE

Led by the vivacious and occasionally excitable Charlie Bevan and supported by Haq, who was himself well supported by an abundance of strapping tape and bandages. "Energiser batteries", Luka and Josh, were destructive in their carries and defence. SCC Black competed with pride and determination throughout. Ian Ma and Zach Tan were composed and handy with the ball, producing several pleasing moments of rugby 7s play.

THANK YOU, SCC FAMILY

Heartfelt thanks go to the supporters, coaches, hydration and logistics specialists, and senior leaders, especially coach Jack Wilson, and team managers Bryan Lim and Blair Fergusson, for their invaluable support in ensuring both teams were ready and registered.

SECTION AGM

The section's annual general meeting was opened and chaired by Mandeep Tahim on Thursday 10 September. The attendees included many familiar faces, alongside several younger members attending their first AGM, a highly encouraging sign of the next generation of players and leaders.

Robust debate encompassed tours, socials, on field performance, sponsorship, financial health and overall direction of the section and was largely enabled by the attentive SCC staff who kept the thinking juice flowing until the meeting was adjourned and Stumps frequented.

There was competition for the roles of Secretary and Social Secretary, both of which went to a vote. Manders and Heady both ran unopposed for the Convenor and Club captain roles, as did David Lawson for Treasurer. We are excited to welcome newcomers to the committee in the form of stalwarts Harresh Krishnan in the Social Secretary and Givens Teo as JSM rep taking over from Luke Seow who has excelled in the role for a number of years.

NATIONAL REPRESENTATION

Several members of the section have been selected to represent the Singapore National 7s team in Japan for the 2026 Asian Games. Congratulations to Marah Ishraf (also named as captain), Miguel William, Adam Vine, Nick Yau, Teng Chong Yao for their selection alongside Declan Martens as part of the coaching team.

GROWLERS

The end of the Singapore opens rugby season hails two things, another SCC premiership win, and the welcome return of Growlers rugby. Having been largely reliant on a few familiar names since covid, however this year has seen The Growlers welcome many fresh(ish) faces to their illustrious ranks. Not only adept at reciting tall stories of how good they used to be, the new crop has helped usher in some terrific performances including a 60-point drubbing of the Bucks and a comfortable win over a hybrid side of Wandering Frenchmen.

Fortress Dempsey, as some Growlers have taken to calling their home patch, has borne witness to many fine tries and resounding victories in recent weeks as the Growlers press on with the goal of once again lifting The Muddy Penny Cup.

SECTION NOTICES

With recent haze conditions causing sporadic disruptions, please keep an eye on our WhatsApp channel for real-time playability and air quality updates. Lastly, it has been confirmed that our courts will be unavailable during 2027 as the National Day Parade (NDP) returns to the Padang. While exact dates are being finalised, the committee and sports department are already proactively exploring off-site court arrangements to minimise disruption to member tennis, and we will share full details as soon as possible.

Chess

Convenor: Tristan Tan | Article by: Stephen John

Top row: Singapore Cricket Club and, Tanglin Club line up before their eagerly awaited POT games match

Second row: Singapore Cricket Club, Bishan Chess Club, Tanglin Club and JP Morgan competing in a tournament at the Gilmour Room

Third row: SCC's Kek Wei Chuan (right) playing against Singapore's National Women's Champion Sreekarthika Velmurugan

It has been another busy period for the Singapore Cricket Club (SCC) Chess Section, with members competing in the POT Games against Tanglin Club, an external tournament at Fernvale, and a four-club tournament hosted in the SCC Gilmour Room.

The POT Games match against Tanglin Club was particularly closely fought, with SCC looking to emulate last year's result and take the point once again. SCC won the toss and elected to play as Black in the opening round, traditionally considered the more difficult colour with which to secure wins.

Despite this, SCC produced a strong performance, taking the first round 4.5–2.5 across the seven matches. This left the team needing just three wins from the remaining seven games to secure overall victory.

Tanglin, however, came out fighting in the second round. A number of decisive wins saw the momentum shift, and the match went right down to the wire. Sadly for SCC, Tanglin won five of the seven second-round matches to complete an impressive comeback and take the overall match 7.5–6.5.

There was plenty of action elsewhere, with SCC also competing in an external tournament at Fernvale. Across the seven matches played, SCC recorded three wins and a draw, providing another valuable opportunity for our players to test themselves against opposition from outside the Club.

The SCC Gilmour Room also hosted another excellent internal tournament, bringing together teams from Tanglin Club, Bishan Chess Club, JP Morgan and SCC. The event provided a fantastic afternoon of competitive chess and demonstrated the strength and depth of the chess community competing at the Club.

Bishan Chess Club proved too strong on the day, taking the overall team victory, with SCC finishing in an excellent second place. Bishan arrived with an exceptionally strong line-up, led on Board 1 by Singapore's current Women's National Champion, Sreekarthika Velmurugan. With an extremely strong team behind her, Bishan were always going to provide formidable opposition, and their victory was well deserved.

For SCC, finishing second against such strong opposition was an encouraging result and another indication of the progress being made within the section. Hosting tournaments such as this at the Gilmour Room also provides a great opportunity for SCC members to compete against strong players while enjoying the social and competitive atmosphere that makes club chess so enjoyable.

While the narrow defeat to Tanglin in the POT Games was disappointing after such a strong opening round, the overall results across these events show that SCC continues to compete strongly both within the Club and against external opposition.

With regular competitions, external matches and tournaments continuing throughout the year, there is certainly no shortage of activity within the Chess Section. The combination of competitive opportunities and a growing pool of enthusiastic players bodes well for the future, and SCC will be looking to build on these performances.

CHALLENGING FORMATIONS AND FRIENDLY COMPETITION

CHALLENGING MAHJONG FORMATIONS

Mahjong is played in many different ways around the world, with each variation having its own rules and traditions. It is a game of both skill and luck. At SCC, our Mahjong section plays Singapore Mahjong, guided by our established house rules.

Our members continue to challenge themselves by exploring the many possibilities that the game offers. One recent development has been the introduction of a "shooter-pays" format. This encourages players to look beyond simply building their own winning hand and to pay closer attention to the tiles being played and the overall strategy at the table.

Under this format, a player who discards the winning tile is responsible for the payment. This is regarded as a fair approach, as it places responsibility on the player who gives away the winning tile rather than requiring the other players to share the cost of the offending player.

Over the past few months, our members have become increasingly adventurous and skilful, attempting some of the more challenging and less frequently achieved hand formations. Among these are Thirteen Wonders, Full Flush Peng Hu, Heavenly Twins (Seven Pairs), and Kam-Kam Hu.

These are all "limit hands", meaning they qualify for the maximum payout according to our scoring table. Successfully forming one of these hands is certainly a rewarding achievement and adds another exciting dimension to the game.

We wish all our members the very best of luck at the tables. May your tiles fall favourably, your strategy be sharp, and your next hand be a winning one!

MAHJONG INTERCLUB MATCH

Our SCC Mahjong team recently had the opportunity to take part in the Mahjong Interclub Match held at Warren Country Club on Saturday, 27 June.

Four players represented SCC, joining teams from NUSS, Warren Country Club, Keppel Club and Orchid Country Club. Each participating club was represented by a team of four players.

For some of our SCC players, this was their first opportunity to test their skills outside the club and play alongside, against mahjong enthusiasts from other clubs. It was a valuable hands-on experience and a wonderful opportunity to put their knowledge and strategy to the test in a new environment.

Beyond the game itself, the match was an enjoyable social occasion. Our players appreciated the friendly interaction, camaraderie and networking with fellow Mahjong players from the participating clubs.

We look forward to continuing this spirit of friendly competition and hope to welcome other clubs to SCC for future interclub matches.

Mahjong is, after all, not only about the tiles we draw, but also about the friendships we build around the table.

Pickleball

Convenor: Zoher Motiwalla | Article by: Danesh Daryanani

Despite the hazy weather, our section members have continued to get out on court, taking the usual precautions to hydrate, keep cool and, of course, enjoy their pickleball!

FULL HOUSE AT DEMPSEY PICKLEBALL COURTS!

The take-up of the four pickleball courts at Dempsey continues to grow steadily, with allocated member booking slots often taken within minutes of opening.

We recently hosted two rounds of the Interclub Pickleball League (ICPL), with 12 teams from major sport, recreation and golf clubs squaring off. More than 100 pickleball players took part in each round, making Dempsey a very busy place indeed. And of course, socialising over drinks afterwards.

The courts and their wonderful setting amidst the lush greenery also drew plenty of praise from the visiting clubs.

INTERCLUB PICKLEBALL LEAGUE (ICPL) – A CLEAR IMPROVEMENT OF THE SECTION'S PERFORMANCE!

The 2026 Interclub Pickleball League brought together 12 clubs, with matches held from 4 August to 13 September 2026 at venues around the island, including two rounds at our Dempsey facilities.

SCC finished third in Group B with 39 wins and 41 losses, placing us sixth overall and firmly in the top half of the competition.

This represents a significant improvement over last year — and, naturally, we aim to do even better in 2027!

NATIONAL DAY PICKLEBALL

Singapore's 61st National Day fell on a Sunday this year, giving us the perfect occasion to bring some red and white onto the pickleball courts!

Members turned up in their National Day colours to celebrate Singapore's birthday while enjoying an evening of pickleball and camaraderie.

A fitting way to celebrate our National Day — with good friends, good sport and plenty of Singapore spirit on court.

Majulah Singapura! Majulah SCC Pickleball!

NETBALL INTERSECTION – AN EVENING OF SPORT & CAMARADERIE

The Pickleball Section was very well represented at the Netball Intersection on 21 August, with 10 players stepping off the pickleball courts and onto the netball court.

It was a wonderful evening of sportsmanship, laughter and team spirit — and a great reminder that being part of SCC is about more than just our individual sports sections. We Pickleballers are part of a bigger SCC family.

A big thank you to all 10 Pickleball players who represented the section so enthusiastically.

From top left, clockwise: Full house at Dempsey Pickleball Courts!; The six clubs in the 1st Round of ICPL matches with over 100 players and supporters in attendance; SCC Players in National Day Red and White; SCC Section Players who joined the Netball Intersection Games; Pickleball Section Members at the Intersection Darts evening

INTERSECTION DARTS

The Pickleball team was back in action at the Intersection Darts competition on 29 August, finishing a very respectable fourth.

Thank you to our coach, Fathima Mohietheen, for helping get the team ready.

Most importantly, it was another great opportunity to step outside our usual courts, meet members from other sections and enjoy some friendly competition.

Pickleball may be our game, but camaraderie is definitely part of the SCC spirit. And for that, our section certainly hit bulls-eye!

Wine

NATIONAL DAY WINE CIRCLE EVENT – 24 AUGUST 2026

An exclusive National Day wine event was held at the Padang Restaurant on 24 August 2026. The event showcased the National Day theme "Celebrating the Soul of A Nation", with the special premium wines of Soul Growers of Barossa Valley, SA Australia. The event was informative as we had a special Wine Decanter, wine judge and ex-champion sommelier Gerald Lu, as the wine speaker. With many members coming dressed in our national colors of red and white, the evening went off very well with joyous celebrations.

TASMANIA WINE MASTERCLASS – 20 SEPTEMBER 2026

This event featuring Australian wines from Tasmania and held at the Padang Restaurant, provided a delicious foretaste ahead of the SCC Tasmania Wine Tour from 11 – 15 December 2026. At the Tasmania Wine Masterclass, wine expert Emmet Tang introduced the selected wines being enjoyed that evening, namely Brut Elite Rose Cuvee 1801 (paired with Kimchi Pancake), Grant Vintage 2015 (paired with Thai Red Curry), 2024 Handpicked Collection Tasmania Chardonnay (paired with Pad Thai) and 2024 Handpicked Collection Tasmania Pinot Noir (paired with Smoked Duck or Turnip Dumpling), and finally a Mystery Wine (paired with Black Sesame Tang Yuan). All members and guests also enjoyed a European Cheese Platter each, for a splendid evening of wining & dining.

SCC OKTOBERFEST 2026

Saturday, 3 October 2026

The SCC Courtyard came alive with the sights, sounds and flavours of Oktoberfest as members and guests gathered for a festive evening of food, music and celebration.

Everyone enjoyed a generous buffet spread featuring an array of hearty dishes, perfectly paired with Erdinger beer. Together with the lively atmosphere, it brought the spirit of Oktoberfest right to the Club.

Adding to the festive mood, our live band kept the crowd entertained with an energetic mix of music throughout the evening. Members and guests came together to enjoy the music, catch up with friends and soak in the Oktoberfest atmosphere.

The evening also featured a fun "Fastest Drinker" challenge, with each table nominating a member to participate. The winners walked away with exciting gifts sponsored by APB.

It was an evening filled with great food, good music, laughter and wonderful company.

La Val Albariño 2024, Spain

This Albariño displays an appealing straw-yellow colour with greenish hues. On the nose, it is clean and bright, with pronounced aromas of white and stone fruits (apricot, apple), tropical notes (pineapple), and a fresh touch of aromatic herbs (bay leaf, fennel) and citrus (grapefruit), all underpinned by a subtle floral background and an elegant saline edge.

On the palate, it shows a well-balanced, enveloping structure with vibrant notes of fruit, citrus and Atlantic herbs. The finish is long, fresh and saline, with a subtle bitterness that adds depth and character.

$68.00 per bottle / $16.00 per glass

Bela 2024, Spain

Bela 2024 stands out for its deep cherry-red colour with vivid violet highlights. On the nose, it reveals floral aromas typical of Tinta del País, such as violet, alongside red fruit notes of redcurrant, raspberry and strawberry, complemented by attractive spicy nuances and subtle hints from its ageing, including cocoa and clove.

On the palate, it is a full-bodied and rounded red, with velvety tannins and a character clearly shaped by its origin in Villalba de Duero. The finish is long, marked by ripe fruit and mineral notes, contributing to an overall impression of elegance and finesse.

Recommended serving temperature: 15 - 16°C.

$78.00 per bottle / $18.00 per glass
