FAMILY WINERY SINCE 1952

Introducing Bodegas Muga

Bodegas Muga is one of Rioja's most respected family-owned wineries, founded in 1932 and now in its third generation. Based in the historic Barrio de la Estación in Haro, Muga stands apart for its unwavering commitment to traditional winemaking—being one of the few producers in the world with its own in-house cooperage, crafting oak barrels on-site to control every stage of ageing. Their wines combine classic Rioja elegance with remarkable consistency, offering both immediate drinkability and ageing potential. This dedication to craftsmanship, combined with meticulous vineyard selection and a balance of tradition and innovation, has established Muga as a benchmark producer trusted by both collectors and restaurants worldwide.
