FRANCATELLI RESTAURANT

 @francatelli.london

Inspired by the legendary Charles Elmé Francatelli, former Head Chef at the St. James's Club and later Queen Victoria's personal chef, our menu, designed by award-winning chef, William Drabble, is a meticulous homage to the culinary wonders of the early 1800s. Crafted from authentic recipes in Francatelli's 1846 best seller, *The Modern Cook*.
