Correction:

In The Padang magazine March/April 2023's Sports News Feature titled "The History of Bowls – When SCC was Singapore", there were some typing errors and omitted words; the following should have been printed instead:

1. The 1994 Commonwealth Games was held in Victoria Island, Canada.
 2. The competition in 1997 was the Asia Pacific Games in Warilla, and the SCC team that won that Men's Triples Bronze consisted of Goh Eng Han, Gerry Koopal and Patrick Heade.
- We regret the errors.

PRESIDENT'S MESSAGE

Dear Members,

Thank you to all our members for participating on 18 April 2023 in our Club's Annual General Meeting – conducted once again physically in the Clubhouse after three years of pandemic restrictions – and the robust questions raised during the question-and-answer segments.

On behalf of the Club, I would like to thank Mr. Zoher Motiwalla and Mr. Rajan Menon for their dedicated service and contributions to the Club as President and as Chairman of the HR Subcommittee respectively. We welcome Mr. Paul Lawless and Ms. Joanna Ossinger to the General Committee (GC) and look forward to their fresh inputs and contributions alongside the re-elected GC Members.

In this new term, this GC look to further build on the foundations laid by previous GCs, while innovating and implementing creative strategies to bolster and take the Singapore Cricket Club forward into the future. And with the assistance of the Subcommittees, Section Convenors and Committees, the management and staff and, most importantly, you the Member, we believe that will be possible.

As we near the middle point of the year, we have much to be thankful for and to look forward to. The SCC International Hockey6s tournament in early March was a success as 60 local and international teams descended upon the Padang to compete and renew old friendships through sports. The tournament report can be viewed in this issue.

We were excited to have hosted the 13th SCC Sports Awards after a three-year absence. As befitted the occasion, attendees came decked in their formal best to gather in the luxuriously decorated Padang Restaurant and recognize the best of our athletes, teams, Sports Sections and their notable feats in 2019 and 2022.

Of special mention are Sher Baljit Singh and Mary Lim, who were awarded the Lifetime Achievement Award for their contributions to Tennis Section and Bowls Section respectively and for their advocacy of sports not just within the Club but beyond. A full report on the awards ceremony is contained in this issue.

We are pleased to announce that the sale for the three-day passes for our SCC Night Race 2023 will be launched on 23 May 2023, while one-day passes will be available from 30 May 2023. The Singapore Formula One Grand Prix has just announced the exciting entertainment for the racing weekend, including English pop star Robbie Williams on the final race day, 17 September 2023. Last year, the SCC Night Race passes were all taken up shortly after their launch; we anticipate similar interest this year, so do check out the information on the ticket sales early on the inside front cover of the magazine and be ready for the launches.

The management has planned many events as well as F&B specials and promotions in the coming months for the enjoyment of our Members and their guests. We look forward to your continued patronage at the Club's F&B outlets and participation in the Club activities.

See you at SCC!

In Memoriam – Robin Tessensohn

On 12 April 2023, we lost a club stalwart in Mr Robin Tessensohn, who had been an SCC member since 1971.

During the 13th SCC Sports Awards ceremony on 14 April, SCC President Zoher Motiwalla remembered Robin and led everyone in a minute silence.

A bottle of Famous Grouse – or “burong” (“bird” in the Malay language) as he called it, with Robin’s name on it is still in the Main Lounge. Robin’s drink, which all the bartenders knew very well, was burong with ice and water, but always served in a rounded glass, instead of the more often used square whisky glass.

Thank you Robin, for your numerous contributions to the Singapore Cricket Club. You will be sorely missed and our thoughts are with Rosemary, Jason and Ian.

13TH SCC SPORTS AWARDS

Friday, 14 April 2023

The long-awaited prestigious 13th SCC Sports Awards Night returned after three Years with great fanfare as attendees gathered to celebrate the many achievements that our sportspeople accomplished in 2019 (for 2020 awardees) and 2022 (for 2023 awardees).

Members who made significant contributions to their Sections were recognized with the Spirit of Sports awards, while the awards ceremony also applauded our budding junior sports talents and adult athletes who accomplished extraordinary sporting feats, demonstrated sportsmanship and camaraderie and gained team successes.

The glamorous evening opened with a unique light show that highlighted SCC's many Sports Sections and affirmed its position as a premier sports club in Asia. Attendees also had a lot of fun with a special 360deg photo booth, feasted on a delectable buffet spread after the awards segment, and danced the night away with a live band and DJ that spun crowd favourites.

MARY LIM 2023

Mary Lim is considered the “mother” of the Bowls Section as she and Mr. TQ Lim were founders that built the club’s bowling green and Bowls Section literally and figuratively from the ground up. An active figure in the Section, she has taken on various roles in the Section Committee to contribute both on and off the green. In 2022, she was Bowls Section captain and she helped lead the Section out of COVID-19 to one of the Section’s best performances in the national competition that year. Her list of achievements is extensive and she has won many medals in the Club, national, regional and international tournaments – most recently, she was third placed in the National Pairs in 2022. Because of her wide experience, she is counted on even today in the selection process for bowls for major tournaments.

One of her legacies are the many current Section Members whom she groomed to be national champions, and the many students she encouraged and nurtured as a teacher in Catholic Junior College to take up the sports of Bowls. Today, almost all who started as JSMs have taken up full SCC membership and are winning medals in many tournaments for the Club regularly.

WHEN DID YOU START PLAYING TENNIS? WHAT WAS IT ABOUT THE SPORT THAT ATTRACTED YOU?

I recall my dad had a racket at home, so I was about 14 years old when I started playing during the school holidays. It started as the only choice for me to do some sports, but then the passion for it grew inside me. When playing tennis, as in life, you are uncertain about the next ball/challenge you will have to face. In tennis, the shot you have to deal with can vary in spin, speed, and direction and be affected by external factors such as wind and air temperature and the kind of surface you are playing on, as well as the condition of that surface. It's all about focus, positioning myself and run with whatever I desire.

HOW WOULD YOU DESCRIBE YOUR TIME AT THE SCC AND YOUR ACTIVE INVOLVEMENT IN THE TENNIS SECTION?

I joined the Club as a Cricket Section Member, and soon I reverted to Tennis. SCC is a great Club with amazing history and pride. I was blessed to serve the Club through many different positions over those years. Most importantly, I was privileged to represent the Club in many tennis tournaments. It always feels good to win for the Club! For me, SCC is home, as I can practice my favourite sport as well as unwind with friends in a cosy environment with good food.

WHAT ARE SOME OF YOUR BEST MEMORIES PLAYING FOR SCC/ PARTICIPATING IN SECTION ACTIVITIES/EVENTS?

By far winning the league and celebrating with your teammates is a great feeling. I know for a couple of years we won all three annual A div titles. That was great team and Section involvement. Overseas tours are some of the other great bonding and fun events I have had.

IN TWO WORDS, DESCRIBE HOW YOU FEEL ABOUT RECEIVING THE LIFETIME ACHIEVEMENT AWARD?

Honoured & Grateful

WHAT'S NEXT FOR YOU IN SCC AND THE TENNIS SECTION?

I would like to keep playing and be competitive for quite some time more. I would also like to see the SCC Premier Tennis Tournament brought back.

At the same time, I am happy to volunteer part of my time as a Club ambassador or just a mentor leveraging my past experience, deep connections and passion for the Club. Establishing a Council of Past Presidents is a proven tactic for providing a reliable landing site for Presidents to reside after they complete their term of office and a vehicle through which to continue to be of service to the organization.

Mary Lim

SCC Lifetime Achievement Award 2023 recipient

WHEN DID YOU START PLAYING LAWN BOWLS? WHAT WAS IT ABOUT THE SPORT THAT ATTRACTED YOU?

I started in mid-1989 and was introduced to the sport by my husband TQ Lim. I must share my experience. I was an armchair bowler before even getting on the green. Once fired by my interest, I read extensively and watched the videos on the Jack High series in Australia. I had my friend tape the series in Australia and sent them to me. When I first stepped on the Green, I was supported by this wealth of knowledge and practised what I picked up from the expert players on video. From the very start, I was hooked by the challenges of this precision game.

HOW WOULD YOU DESCRIBE YOUR TIME AT THE SCC AND YOUR ACTIVE INVOLVEMENT IN THE BOWLS SECTION?

My time with SCC Bowls Section has been most fulfilling and active. Over the years it has afforded me the innumerable opportunities to play at top level, to be an organiser and to be a coach to newcomers. In fact, Bowls meant so much to me that I gave up being a principal to continue my involvement in Bowls when I was given the ultimatum - Bowls or School Headship by Director of Education.

WHAT ARE SOME OF YOUR BEST MEMORIES PLAYING FOR SCC/ PARTICIPATING IN SECTION ACTIVITIES/EVENTS?

I carry with me easily four wonderful decades of Bowls. Every experience is richly etched in my memory. Bowls at the Club has brought me to nearly all over the world in competitions. Friends at home and overseas have made their mark in my life. At the Club I cherish with fondness Bowlers like Rosemary, the Chais, Arnie and Mary Ware and the Koopals John and Jean Childe whom we jokingly refer to as the children.

I have lived through some of the most significant moments in the history of sports. Now with humour I recall the days when I had to wear a skirt that was one foot from the ground. In those days they would have been appalled by the becoming shorts worn by Shermeen and Kelvyna today. Outfits were white or grey, none of the colourful polo shirts we wear today.

The many celebrative events to commemorate festivals like Deepavali, Christmas and end of year carnivals deserve mention for the camaraderie and festive mood sealed with the delicious spread from SCC kitchen to whet our appetites. Thank goodness we have photos to keep memories alive.

IN TWO WORDS, DESCRIBE HOW YOU FEEL ABOUT RECEIVING THE LIFETIME ACHIEVEMENT AWARD?

"Overwhelmingly Elated." I am speechless to know I am the first woman athlete to have received this elite award.

WHAT ARE YOUR HOPES FOR SCC AND THE BOWLS SECTION?

With the new generation at the helm, I hope SCC will sustain its position as the top Bowls club in play and in organisation. Most importantly, I hope we remain vibrant in our activities and continue to attract young blood into the game.

UK Estate Planning & reducing your Inheritance Tax (IHT) exposure

Whether you are British, have a UK domicile of origin (i.e. your father was British) or you hold property or other assets in the UK, there is a good chance that all, or at least some of your assets will be liable to 40% tax on your death. We discuss ways in this article how you can protect the value of your estate for future generations.

If you've spent your life working hard to build up assets, you'll no doubt want to protect them for the benefit of your family. If you haven't considered your potential UK Inheritance Tax bill for the future, now might be the time to start thinking about Inheritance Tax planning. IHT is currently charged at a rate of 40% on the value of your estate over £325,000. The IHT receipts that HMRC receives has been steadily increasing each year which means that more families are increasingly being brought within the IHT net. Even if you are not British, as long as you have assets situated in the UK such as properties for example, these will also be subject to UK IHT. Fortunately, there are plenty of planning opportunities to lessen the burden on your family whilst ensuring that your assets are passed on according to your wishes.

There are a number of different ways to reduce your IHT bill, and these can include things like utilising your IHT allowances and giving away gifts to your family, insuring your IHT liability, utilising trusts, and having a valid Will.

A more complex but very effective route to managing your UK estate tax liability includes establishing an appropriate overseas pension scheme (which must be recognised by HMRC) and the use of Family Investment Companies have become increasingly popular with high net worth families as they do not have some of the same restrictions including lifetime limits that apply to trusts.

For mixed-domicile families (where only one spouse is UK-Dom), the use of excluded property trusts can be a highly effective planning tool, offering a permanent shelter to UK IHT even if a non-UK Domicile settlor becomes UK-Domicile in the future.

That all said, gifting your assets away remains the most straightforward way to reduce your IHT bill. You can give away up to £3,000 each tax year (your 'annual exemption'), as well as make any number of small gifts up to £250 per person. These won't then be counted in the final tally of your estate. Almost all gifts, however large, become IHT exempt if you survive for seven years. If you do not wish to gift your assets away now, you may want to consider the use of proper trust planning which can ensure that your assets are being left to your loved ones in the best way possible whilst allowing you to retain some degree of control and flexibility.

Having a Will in place also ensures that your estate is distributed in line with your wishes and that your loved ones rightfully inherit your legacy. If you don't create a Will, your assets will be distributed according to the laws of intestacy, which could lead to your assets ending up in the hands of those that you do not wish to benefit from. It is also important to review your Will every now and then to make sure that it is up to date. If you have assets across different jurisdictions, make sure that your overseas assets are dealt with properly through the use of appropriate Wills, so that they reach the people you intend to benefit.

Deciding how to structure your assets to reduce your IHT bill and when to leave your wealth to your loved ones may seem complicated, but it doesn't have to be. We can help guide you through the process and focus on the key elements, so get in touch with Eight Wealth International experts to understand how estate planning can benefit you and your family alongside your financial goals.

Sungei Buloh Wetland Reserve, Singapore's first ASEAN Heritage Park was where Members enjoyed a nice morning walk and got to see some bird species which migrated from as far as Australia to escape the winter season! During their walk, they also encountered native inhabitants such as mud skippers, crabs, monitor lizards and spiders.

Finishing the walk with a beautiful sunrise and breakfast at the Bollywood Veggies, the lovely conclusion to the walk reminded everyone why the SCC Nature Trail Walk was a good way for members to gather once a month.

Saturday, 25 March 2023

Having enjoyed the route chosen for the 17KM Walk Challenge when SCC celebrated its 170th Anniversary in November last year, we decided to revisit the route again this month – starting off from SCC and strolling through the beautiful Marina Barrage, Kallang River, Geylang Road and Nicoll Highway, following the river and arriving back to SCC to complete the journey in two hours.

Volunteering at Willing Hearts is always fun!

Saturday, 11 March 2023

By Shriya Asha Sharma, CIS, Grade 7 student

Volunteering at Willing Hearts with the Singapore Cricket Club has become a family tradition for us in the spirit of giving back in the new year. This time around, it was my dad, mom and myself who had signed up. We enjoy volunteering at Willing Hearts as it not only broadens our skills but also helps us give back to the community in a fun way. The new Willing Hearts facility at 1 Lor J Telok Kurau, Singapore 425792, is nice, neat and spacious. It surely gives a feeling of warmth and positivity. Since we had been here before, we knew our way around. Upon entering, we said hello to a fellow volunteer from SCC and then used our phones to scan the QR code to check ourselves in.

Checking in and checking out is an important process to help gauge our volunteering hours towards community service. Right as we walked in, the smell of delicious and fresh food being cooked in the kitchen around in the air. There were people busily helping with the packing of freshly cooked food. At the vegetable cutting area, there were several people chopping and cutting all sorts of vegetables. Thankfully, there were a few seats vacant, and we got settled with the task at hand rather quickly. This time we had to work our way through bags and bags of potatoes, of all shapes and sizes. We had to first wash them, which made peeling easier. As I was peeling the potatoes I realized that there was a particular type of potato that was much easier to peel, called Red Australian Potatoes - an interesting thing I learnt that day. They were softer than the other potatoes which made it easier to grip and get all the skin off, without having to tug too hard. Once we got through all of the potatoes, we moved to the spinach section at the adjacent table. There were so many different types of spinach that were there for us to peel. It was quite interesting and much more calming than peeling the potatoes.

As we were peeling and cutting these amazing green, leafy vegetables, we got to interact with a few SCC members, which was also nice, and a good way to make new connections. We all shared a common bond by volunteering for such a noble cause at the Willing Hearts and I hope other Members who have young children would spend some time volunteering as well. It was a great feeling and a perfect way to learn a new skill whilst also spending quality time with family. The two hours or so flew by and soon it was almost time for us to finish up. All the volunteers from SCC gathered around to have some photos taken before we headed back home.

Once again, I left with a feeling of thankfulness for the opportunity to volunteer at Willing Hearts and to have had the chance to give back to society in our own way. Every time my dad asks if we should sign up for the Willing Heart, I am usually the first in line. Overall, I enjoyed another exciting experience, where I learnt about peeling potatoes, and about the different kinds of green leafy spinach. In addition, this was a super fun way to bond with my parents and pick up valuable life skills. I truly recommend going to Willing Hearts for anyone who is looking for a fun activity to do with friends, family or alone, as it is super fun and rewarding!

SCC RUGBY ACADEMY

Earlier this year parents of the SCC Rugby Academy swapped their sports shirts, shorts and muddy shoes for our annual social held on Gilmour Terrace, the first since the pandemic. It was a time to reflect again on reaching our tenth anniversary year in 2022 and to celebrate our best performance ever at the recent 2023 KL Tigers International Rugby 10s.

Parents got to enjoy the beautiful setting of the Club and be wowed by how good everyone looked in their best attire - and our fun quiz showed where our players get their competitive spirit!

The SCC Rugby Academy has more than 500 registered players and establishes a seamless link from junior Rugby Academy to the SCC Men's Rugby Section and beyond for those representing Singapore.

We look forward to a further successful year in 2023.

For more information, visit www.sccrugbyacademy.com

ANNUAL GENERAL MEETING

Held on 11 March 2023 at 11.30am, the meeting discussed the sterling achievements of the Section in the past year and events we can look forward to in 2023 and beyond.

The outgoing committee was re-elected with a new addition of Harbhajan (Jan) Singh as a committee member.

Soma Devi and Tushar Doshi stepped down and did not seek re-election.

A few days after the AGM, incoming Convenor Vashi Sajani tendered his resignation and Tony Fisher agreed to step in as Acting Convenor until we convene a SGM later in June for Section Members to elect a new Convenor.

We thank Vashi, Soma and Tushar for their services to the Section.

SECTION GAMES

Our night game on 16 February had 33 players with the following results:

- Winner: Mohan Balagopal with 671 points
- Runner up: Yeoh Foo Yong with 653 points
- Lowest score: Ben Cunico

For March, it was another fun-filled Saturday afternoon of Balut shortly after our AGM ended with 34 players, including recently joined Member Chitra Radhakrishnan, with the following results:

- Winner: Rosemary Tessensohn with 653 points
- Runner up: Rod Murchison with 633 points
- Lowest score: Cathy Yeomans with 489 points

It was two months of impressive scores for the winners with 111-108-105 points on average per round.

2023 SABAH INVITATIONAL

11 members flew to Kota Kinabalu, Sabah, to participate in the 10th Invitational Balut Tournament hosted by The Kinabalu Club.

There was a total of 64 players from six clubs participating.

And once again, SCC did well with the following individual results:

- Winner: Fatema Sadik with 873 points over 8 rounds.

Others who did well are Rolv in 5th place with 848 points, Raj in 8th place with 819 points and Anwar in 13th place with 800 points.

The other wins are for the following:

- Else and Rolv Stokkmo in 3rd place for the Doubles with combined score of 1,627 points.
- Vashi, Anwar, Raj and guest player John Taylor in 3rd place for the Team with combined score of 3,130 points.

Congratulations to our winners and especially to Fatema for a resounding win. It is never easy to achieve high scores when eight rounds are played instead of the usual six and all it takes is to have one or two bad rounds to pull your ranking down.

SCC - PENANG CLUB INTERPORT @ PENANG CLUB - 24 FEB 2023

SCC team made their way to Penang Club (PC) to have a friendly with PC in Penang. PC was a wonderful host and we lost in a tightly fought match in their "mens bar". Yes it's still a mens bar and no ladies are allowed.

We thank PC and hope to host them end 2023 / 2024.

INTERCLUB 6 RED SNOOKER @ PENANG CLUB - 25 FEB 2023

Six teams from Penang Club, RBSC, RBSC Polo, Penang Sports Club (PSC), Selangor Club and SCC took part in this event on Saturday, 25 February.

This event has a six-year cycle where every club has a chance to host and this year, Penang Club completed the last leg.

Next year we start again at RBSC. It was a competitive event and this year PSC emerged champions.

PENANG SPORTS CLUB IN SCC - 4 MAR 2023

Penang Club visited us in SCC on Saturday, 4 March, and we had a close friendly game with PSC edging us by 2 frames.

We were happy to host the boys from Penang.

Bowls

Convenor: Srinivasan Ramanathan | Article by: K U Menon

Every new Sports Section Committee at the Club is driven by two paramount imperatives – i) Encourage/nurture new Members and especially younger JSMS and ii) Deploy considerable effort to ensuring participation of Section Members in Club, regional and international tournaments and returning, hopefully, with many trophies and medals to promote the sport. Concurrently they have of course to somehow manage their budgets and find sponsors for hosting local and international tournaments at the Club.

But the Bowls Section Committee elected on 15 January had an added burden – to maximise use of the Bowling Green before it (together with much of the Padang) is used for the 58th National Day celebrations.

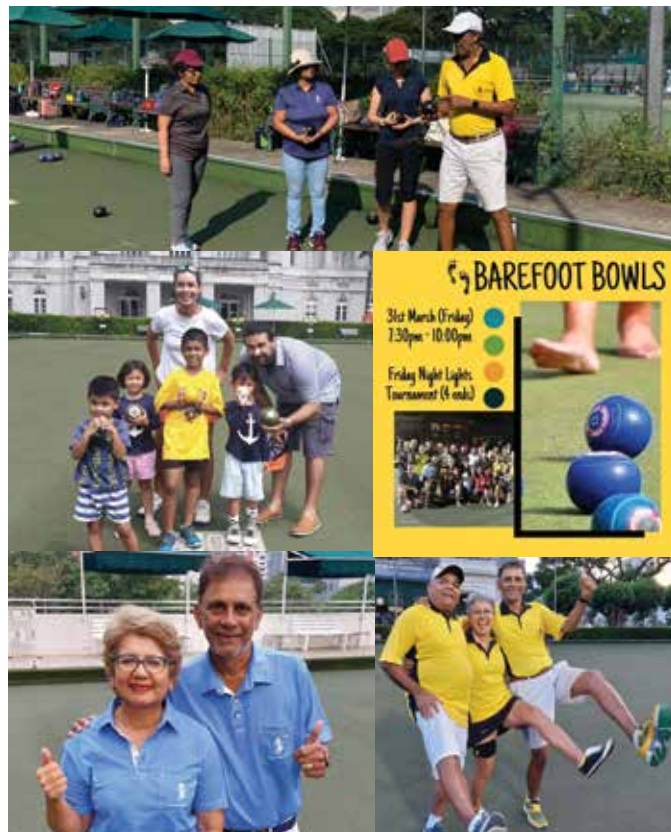

To that end, the Committee went full steam ahead to launch a wide range of activities in quick succession:

- **Opening Carnival & Bites and Drinks:** This took place at the Deli on 28 January and was well attended after a long hiatus.
- **“Learn to Play Bowls”:** Every Thursday on the Green; 12 new Section Members have been inducted since.
- **Sunday Family Bowls:** Where families get together to enjoy the game.
- **Barefoot Bowls:** Every alternate Fridays
- **Captain’s Bowls:** Every Saturday
- **(Tribute to our Seniors) Seniors Mixed Drawn Pairs:** In mid-February followed by bites & drinks at the Deli on 11 March
- **SCC Drawn Mixed Triples:** Took place in March/April. Six teams participated, culminating in the final on 8 April.
- **Friendly match with LBAD:** We also managed to squeeze in a friendly on 1 Feb with PARA Bowlers from the Lawn Bowls Disabled Association (LBAD) at the Kallang Green.
- **Corporate Bookings:** We had three such bookings of the Green over the first quarter of the year.
- **Closing Bowls Carnival** with LBAD (Disabled Bowlers) and a GOH will take place on 29 April.

Concurrently our bowlers were also active in the National Singles at Kallang where 19 of our members registered with one finalist in

Mens and a Champion (Ladies). Members are also active in the National Pairs (ongoing), the Interclub Pairs at Tanglin (ongoing) and a delegation of seasoned Bowlers & coaches and JSMS (nine in total) made their way to the ASIA Lawn Bowls Championships in Ipoh, Malaysia 21/26 Feb 2023 (see box story by Kelvyna).

In short, a very hectic three months as seen in the accompanying photos.

From Top: LEARN to PLAY coaching for new members; FAMILY Bowls on Sundays; Barefoot Bowls; SCC Mixed Drawn Pairs/Triples Gold winners.

ASIA BOWLS 2023 (ARTICLE BY KELVYNA LEE)

Nine SCC bowlers (including four JSMS) were selected to represent Singapore in the 12th under-25 and 14th Asian Lawn Bowls Championship, 17 to 23 Feb 2023 held at Arena Lawn Bowls, Perak. During the 10 days, we played against bowlers from Hong Kong, Malaysia, Japan, Sri Lanka, India, the Philippines, and Thailand. Singapore won two bronze medals for the Mens’ Singles and Pairs events.

The Singapore delegation was 14-strong and included bowlers from other clubs. Two coaches, Rodger Kimpton and Rosemary Tessensohn were attached to the delegation. The team spent the first three days getting used to the conditions, including the sheltered arena and the carpet green, and other days were packed with exciting competitive matches. Personally, it was a humbling experience to play against experienced players from different countries, some of whom even train on a full-time basis. This trip exposed me to different bowls strategies and training styles. Playing in different conditions also challenged me to quickly adapt to the new environment, as well as to remain focused.

Journeying with each other through ups and downs, successes and disappointments, the team bonded well to support each other. We were also able to befriend players from other countries.

Despite our busy schedules, we also found time to enjoy the Ipoh cuisine. Overall, it was an extremely fulfilling experience, one that I will not forget. I hope to be able to represent my country in more of such international competitions.

SCC Team to Asia Games in Ipoh.

Cricket

Convenor: Lee Slater | Article by: Lee Slater

The 2023 season is well underway and it's great to have made the most of the Padang whilst it was available. We managed over 20 games of Cricket on the Padang and the players were incredibly impressed by the state of the wicket and outfield. Our thanks go to the SCC groundsmen for such a horticultural triumph.

With NDP preparations now started, the locus of SCC Cricket shifts to Dempsey. We've also arranged training facilities at the Cage at Kallang in our effort to maximise the quantity and quality of cricket available to Section Members of all demographics.

2023 SEASON UPDATE

After three games, SCC Lions are top of the Premier League with three straight wins. SCC Cougars are also top of the table in Division 1 after two wins out of two. Elsewhere, a more than usual number of cobwebs have had to be dusted off, but there is plenty of the season to go for our other teams to find their form.

Sat XI results have been mixed, with two wins, two losses and an 'honourable draw/washout' against a visiting Australian Naval ship, who were clearly a generation younger than we are! Youth was also the nemesis against a British High Commissioner's XI, who successfully defended a score for a 22-run win. British High Commissioner Cara Owens joined in for the beers and curry after the match, and is kindly hosting us at her residence for a return fixture on 22 April.

TOURS & INTERPORTS

With travel normality resuming, we have been able to schedule a number of tours and interports for 2023. These include an interport to the Royal Selangor Club, KL on 10-11 June, a JSM tour to Sri Lanka in June, and a Sat XI tour to Phuket in November. Do contact any of the Section Committee if you would like to sign up for these.

In March, our long-time partners, the Royal Bangkok Sports Club, visited the Club for the first time since the COVID-19 pandemic. The visit gave us an opportunity to reciprocate their hospitality when we visited their fantastic facilities in 2019.

The visitors played their first game on Saturday - a warmup of sorts at Dempsey - against a team with several JSMs led by Pumas Captain Neil Karnik. A strong all-round performance led to a comfortable 91-run victory for the home team. The Section hosted the visitors for a well-deserved dinner and drinks at Stumps after the match - an evening that went on well into the morning. The rather lively evening necessitated a later start to Sunday's game at the Padang, a T20 encounter against the Sat XI that the home team also won in a tight contest.

SCC CRICKET ACADEMY

2023 started off on a great note with the SCC Cricket Academy moving back to the Padang. With over 250 kids enrolled through the ages of 5-16, working with a coaching team of over 20 coaches, we are grateful to all our players, parents and coaches for putting their faith in our system.

Term 1 saw our U10s, U12s, U14s and U16 participate in several matches and tournaments. Our partnership with Scorpions Cricket Academy has grown with regular softball and hardball matches against quality opposition. Additionally, the Youth Premier League and a tournament run by SportyGo offered ample match exposure for our players.

Lastly, we are very pleased to have Coach Tim McMahon back with us. Coach Tim, who is now the Head Coach of the Section and Academy, is overseeing all Coach Education, Session Planning and High Performance matters. His wealth of experience has had an immediate impact on the Academy's program structure and delivery.

Rugby

Convenor: Jack Whiskin | Article by: Michael Newman

From top: SCC Tankards - Game Faces On; SCC Lions - League and Shield Champions; SCC Growlers - Athletes in recovery mode.

It's finals footy in this write-up and as with every season, the SCC turned in some fantastic performances to have teams competing in the Grand Final of the top two grades in Singapore. In the Development grade, the SCC Lions capped off a league winning performance with a dominant 18 to 11 win over Oldham, to clinch the Shield as well. In the Premier grade, the SCC Tankards went down to Bucks 13 to 22 in the Semi-Finals setting up an SCC Prems vs Bucks Grand Final. As so often happens, the rub of the green wasn't with the Prems and they ultimately went down to Bucks 15 to 8.

Notwithstanding the Grand Final disappointment for the Prems, the season was a great success for the Section with the Tankards proving that they can more than hold their own in the premiership and the Lions showcasing their dominance in the league below.

Of course, Rugby is so much more than results on the park and perhaps one of the greatest aspects of this first post-Covid season has been getting together as a Club again. Whether it's been the camaraderie on offer at Stumps after games throughout the regular season or the way the whole Section came together to cheer on the Prems in the Grand Final, or the fun and games on offer at the end of season dinner, we truly are fortunate to be able to play this great game here at the SCC.

Of course, the conclusion of the season does not beget an end to rugby games, with the Club having a decent touring schedule to keep its players engaged throughout the off-season.

For the older gentlemen, a highlight of this calendar is the Manila 10s which pits athletes from yesteryear against each other on and off the field in a three-day carnival in the Philippines. The SCC Growlers didn't manage to claim any silverware on the park this year but were mentioned in despatches for their pitch side musical contributions and heat defying players recovery station. All in all, a very successful tour and one that is sure to be fully subscribed again next year.

Squash

Convenor: Peter Marini | Article by: Jodee Lee

From top: The SCC-RSC teams wisely decided to take a photo before everyone got sweaty; A close match between Jerome (SCC) and Andrew (RSC); Team photo of the SCC team + supporters!

RESUMPTION OF SATURDAY SOCIALS

After a long hiatus, SCC Squash Saturday socials are back! The first Saturday Social was held on 18 March, and Saturday Socials will subsequently happen every third Saturday of the month. Come for the Squash late afternoon, and then stay for the beer (on the Section). The beer jugs come out at 5.30pm, but do come any time past 3pm for the squash games.

KUALA LUMPUR INTERPORT TOUR

A SCC team of 10 (and their lovely supporters) made a trip down to KL to participate in the SCC-RSC Interport, a long-standing competition between SCC and the Royal Selangor Club to determine which club can lay claim to the Chiam Tow San Challenge Cup. There were seven competitive matches and three social matches. SCC lost but put up a close fight. Both sides were so exhausted after the matches that we did away with the traditional boat race, or as a RSC player told us somewhat ominously, "It's just postponed to when we come down to Singapore."
